Chancellor, the Master of the Rolls and a number of other British legal notabilities. Miss Phillips was called to the Bar by the Middle Temple.

* * * *

The residence of Mr. John Askling at 139 C Street, S.E., Washington is sometimes opened to the public, and has been described as “a veritable mecca of furnishings and interior decorations characteristic of Colorado homes half a century ago”. It houses collections of china and pressed glass, while the kitchen contains a collection of over 500 cookery books, many quite rare.

INDEXING AN INDIAN JOURNAL

This represents the index to a periodical that contains only two articles, of which the most has been made!

QUARTERLY JOURNAL
OF THE
INDIAN INSTITUTE OF SCIENCE
VOLUME VII, 1944
